DRESSER DREAM

Assembly instructions

IMPORTANT:

- Warning: never leave your child unattended. the safety of your child is your responsibility
- Dispose of all packaging safety before use to avoid the risk of suffocation.
- Do not allow children to climb on the dresser.
- Never leave your child unattended on the dresser.
- Never use the dresser if it is broken or damaged or there are parts missing.
- Do not place the dresser in or near the vicinity of open fires or other sources of strong heat, such as gas or electric fires.
- Always leave the dresser clean and dry. Wipe away any spillage straight away. the dresser can be cleaned with a clean damp cloth. Do not use aggressive cleaning agents such as bleach or strong detergents.
- Check on a regular basis that all fittings and screws are correctly tightened and are not damaged. Loose screws can pinch parts of the body and clothing reslting in the risk of strangulation.
- A changing pad is not supplied with this product. lay the changing pad on the changing surface within the retaining walls.
- Product development distates that components may occasionally differ from the ones shown in the diagrams of these instructions. The right to change the specifications and design of the furniture without prior notice remains with the manufacturer.
- Made in France
- for self-assembly
