IMPORTANT:

- Afin d'éviter tout danger d'étouffement, enlever la protection plastique avant d'utiliser cet article. Ce revêtement doit être détruit.
- Ne rien laisser dans le berceau qui pourrait fournir une prise pour le pied de l'enfant et ainsi présenter un danger d'étranglement
- Le berceau doit être placé sur un sol horizontal.
- L'épaisseur du matelas ne doit pas dépasser le marquage linéaire sur la tête pour garantir les 200mm.
- Veiller à ce que les dispositifs d'assemblage soient convenablement serrés car un enfant pourrait accrocher une partie de son corps ce qui présenterait un danger d'étranglement
- Ne pas mettre le berceau à côté d'une source de chaleur (chauffage électrique, chauffage à gaz). Ce qui pourrait entraîner un risque d'incendie.
- Ne pas utiliser le berceau si des pièces sont cassées, déchirées ou manquantes.
- Ne pas utiliser plus d'un matelas dans le berceau.
- Lorsque l'enfant peut s'asseoir, s'agenouiller ou se lever tout seul, le berceau ne doit plus être utilisé pour cet enfant, utilisez alors la version lit bébé 140x70.
- Entretien à l'aide d'un chiffon doux
- Ne pas utiliser de produits à base de solvants.
- La longueur et la largeur du matelas doivent être telles que l'espace entre le matelas et les côtés et extrémité du lit ne dépasse pas 30mm
- Il convient de ne pas autoriser les jeunes enfants à jouer sans surveillance à proximité d'un berceau.

CRADLE VERSION 80x40

WARNING : these assembly instructions are done to make it easier for you to assemble. They enable you identify all parts easily and give you the most suitable order of assembly. These instructions can't be contractual as some specifications of the product can be improved later.

WARNING : to avoid fire and other hazards, do not place this cradle near an electric heater, convector, gas-fired heating appliance or any other source of heat which could make start a fire.

WARNING : do not use the cradle if some parts are broken, damaged or missing and use only parts approved by the manufacturer.

In this case, please indicate the reference and colour, the production number, the number of the part and the problem.

WARNING : do not leave anything in the bed and do not place it next to a product that could provide a grip for the child's feet or danger of suffocation or strangulation such as strings, curtains cords, etc

WARNING : do not use more than one mattress in the cradle.

WARNING : do not place the cradle next to a window or any other furniture.

WARNING : this cradle must be placed on an horizontal floor.

INSTRUCTIONS FOR USE :

Mattress for the cradle is included.

If you need to change it we recommend using a mattress with the following dimensions : L=800mm x W=400mm x maximum thickness=80mm

The distance between the top of the mattress and the top of the sides must be at least 20mm.

Periodically make sure that all parts are properly tightened and tighten them when necessary as the baby could hang a part of his body or his clothes which could provide a danger of strangulation.

As soon as the child can sit, kneel or stand alone, you mustn't use the cradle anymore.

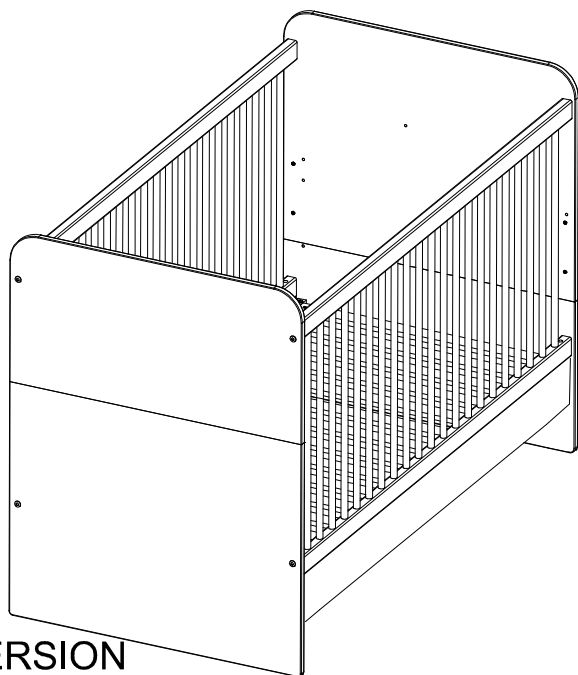

You have to convert the cradle into the 70x140 baby bed.

Do not let young childs playing near the cradle without any adult supervision.

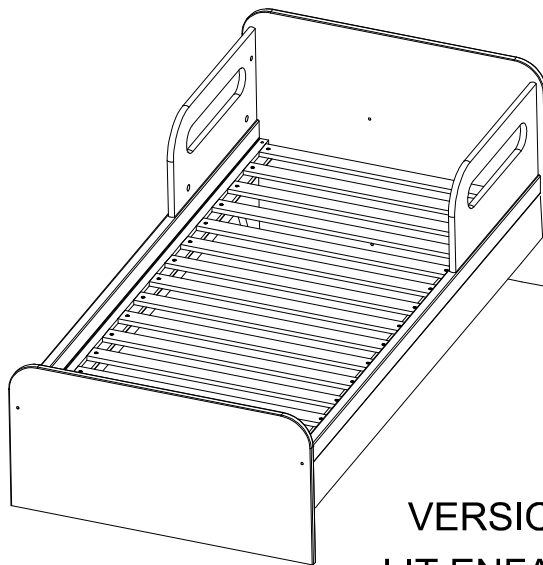

INSTRUCTIONS FOR CARE :

- Dust with a clean dry and soft cloth.
- Do not use solvents, thinners, alcohol or abrasives.

WARNING : do not place the bed next to a fire or a source of heat (electric heater, gas-fire heater).

WARNING : do not use the bed if some parts are broken, damaged or missing and use only parts approved by the manufacturer.

WARNING : do not leave anything in the bed and do not place it next to a product that could provide a grip for the child's feet or danger of suffocation or strangulation such as strings, curtains cords, etc

WARNING : do not use more than one mattress in the bed.

WARNING : do not place the bed next to a window or any other furniture.

WARNING : this bed is a child bed, it is not adapted to withstand the weight of an adult.

INSTRUCTIONS FOR USE :

The base can be adjusted in 2 heights : the lowest position is the safest one. As soon as the baby sits, the bed should be used in the lowest position.

Mattress for the 70x140 baby bed is not included.

Choose your mattress thickness to respect the following rules : the distance between the top of the mattress and the top of the sides must be at least 200mm in the highest position and at least 500mm in the lowest position.

Also the mattress must fit the bed and the distance between the mattress and the bed sides mustn't exceed 30mm.

We recommend to use a mattress with the following dimensions :

L=1400mm x W=700mm x maximum thickness=120mm

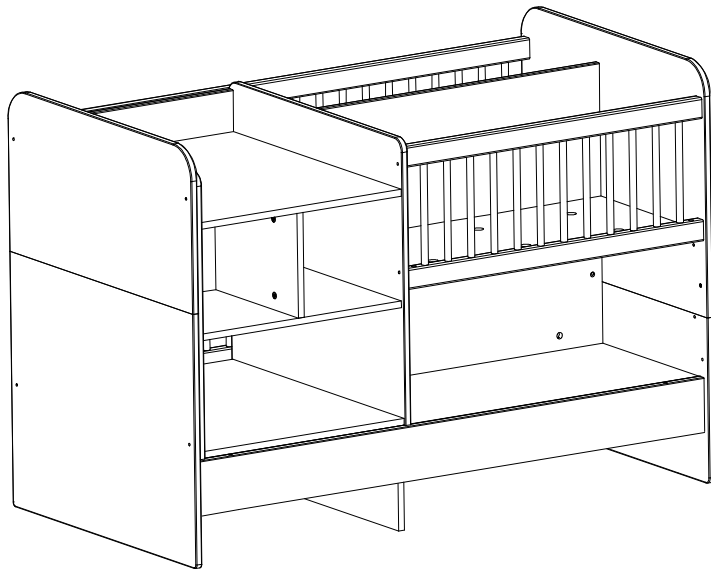

Periodically make sure that all parts are properly tightened and tighten them when necessary as the baby could hang a part of his body or his clothes which could provide a danger of strangulation.

When the child is able to get out of his bed by himself, the baby bed must be converted into the child bed.

INSTRUCTIONS FOR CARE :

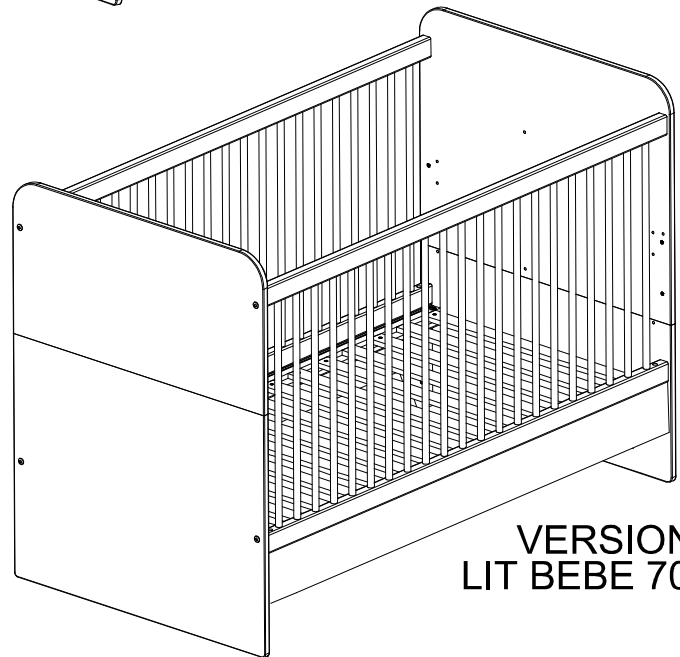

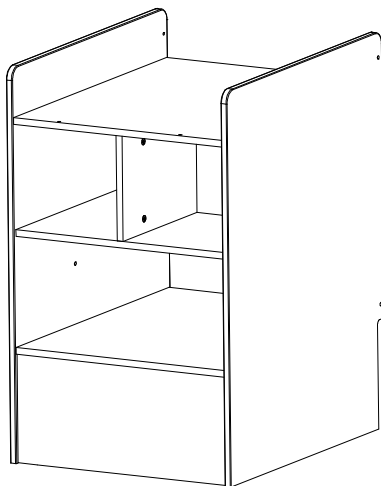

- Dust with a clean dry and soft cloth.
- Do not use solvents, thinners, alcohol or abrasives.
